Dear Mr. Huckaby:

On March 6, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your March 20, 2002 and March 25, 2002, responses are incomplete because you have not provided all the requested information. For these responses to be considered adequate, the following information is still required.

-Schedule I, filed by the National Republican Senatorial Committee Non-Federal Account, discloses total receipts of \$1,402,052 on Line 1 of the Aggregation Page. The sum of the entries itemized on Schedule A, however, indicates the total to be \$1,284,098. Please amend your report to clarify the discrepancy.

Due to recent events, the United States Postal Service is experiencing delays in the processing and delivery of mail for the Washington D.C. area. Please contact the Senate Public Records Office at (202) 224-0322 on how and where to file an amendment. You can verify the receipt of any documents submitted by your committee on the FEC website at www.FEC.gov.

An adequate response must be received at the Commission by May 1, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions

of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
